Dear Parents and Community Members,

Swimming Program
Wow! What improvements in confidence and swimming skills our students have already shown after a week. It has been great to see the enthusiasm and smiling faces as I walk around the pool. The students are very keen to demonstrate their new skills. This Friday students can bring a maximum of $3 to spend at the pool canteen. There are no hot chips available.

Sports Equipment
Through our Sporting Schools grant we have been able to purchase sporting equipment to enable students to continue to practise their skills they have learnt from our Sporting Schools coaches. We have purchased tennis equipment, a hockey kit, a volleyball kit and a bowls kit. Students have been having great fun playing tennis at lunch time.

Library Books
Could all students return their library books to school during the next couple of weeks. Thank you.
